### **COUNT I – VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

7. On or about July 26, 1990, Congress enacted the Americans With Disabilities Act (“ADA”), 42 U.S.C. §12101, et. seq. Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of the Title III of the ADA was January 26, 1992. 42 U.S.C. §12181; 20 C.F.R. §36.508(a).

8. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;
- (iii) discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- (iv) individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the

discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices. Exclusionary qualification standards and criteria, segregation, and regulation to lesser services, programs, benefits, or other opportunities; and,

(v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our country is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. §12101(a)(1)-(3), (5) and (9).

9. Congress explicitly stated that the purpose of the ADA was to:

(i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;

(ii) provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,

(iii) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

10. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the Subject Facility is a place of public accommodation in that it is an establishment which provides goods and services to the public.

11. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Subject Facility which is the subject of this action is a public accommodation covered by the ADA and which must be in compliance therewith.

12. The Plaintiff is informed and believes, and therefore alleges, that the Subject Facility has begun operations, and/or undergone substantial remodeling, repairs and/or alterations, since January 26, 1990, and/or has sufficient income to make readily achievable accessibility modifications.

13. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others who are similarly situated, by denying full and equal access to, and full and equal enjoyment of, goods, services, facilities, privileges, advantages and/or accommodations at Defendants' Property, in derogation of 42 U.S.C. §12101, et. seq., and as prohibited by 42 U.S.C. §12182, et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(a)(iv), where such removal is readily achievable.

14. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Property. Prior to the filing of this lawsuit, Plaintiff personally visited Defendants' Property, with the intention of enjoying and using Defendants' theatrical facilities, but was denied full access to the Subject Facility, and therefore suffered an injury in fact. In addition, Plaintiff continues to desire to visit the Subject Facility in the future, but continues to be injured in that he is unable to and continues to be discriminated against due to the architectural barriers which remain at Subject Facility, all in violation of the ADA, and the New York State Human Rights Law.

15. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the Americans with Disabilities

Act Accessibility Guidelines (hereinafter “ADAAG”), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$110,000 for the first violation and \$150,000 for any subsequent violation.

16. The Subject Facility is in violation of 42 U.S.C. §12181, et. seq., the ADA and 28 C.F.R. §36.302, et. seq., and the Defendants are discriminating against the Plaintiff as a result of inter alia, the following specific violations:

(a) It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place or provider of public accommodation because of the actual or perceived ... disability ... of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof ... to the effect that any of the accommodations, advantages, facilities and privileges of any such place or provider shall be refused, withheld from or denied to any person on account of ... disability ...

NYC Admin. Code § 8-107(4)(a).

22. Defendants, AURORA PRODUCTIONS INC., a New York corporation, d/b/a THE BOOK OF MORMON and JUJAMCYN THEATERS LLC, a Delaware limited liability company, are in violation of the New York City Human Rights Law by denying the Plaintiff full and safe access to all of the benefits, accommodations and services of the Subject Facility.

23. The Plaintiff repeats and re-alleges the allegations of paragraphs 1 through 20 as if set forth in their entirety here.

**COUNT III - VIOLATIONS OF THE NEW YORK STATE HUMAN RIGHTS LAW**

24. The New York State Human Rights Law provides:

(a) It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place of public accommodation.... because of the ... disability ... of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof ... to the effect that any of the accommodations, advantages, facilities and privileges of any such place shall be refused, withheld from or denied to any person on account of ... disability ...

NYS Exec. Law § 296 (2)(a).

25. Defendants' Property is a place of public accommodation as defined in the New York State Human Rights Law.

its place of public accommodation, all because of disability, in violation of Administrative Code § 8-107(4).

30. The Defendants have discriminated against Plaintiff in violation of Administrative Code of the City of New York, § 8-107(4), and Local Law 58 by maintaining and/or creating an inaccessible place of public accommodation.

31. The Local Civil Rights Restoration Act of 2005 (the "Restoration Act"), also known as Local Law 58, clarified the scope of the Administrative Code in relation to the New York City's Human Rights Law. The Restoration Act confirmed the legislative intent to abolish "parallelism" between the Administrative Code and the Federal and New York State anti-discrimination laws by stating as follows:

The provisions of this title shall be construed liberally for the accomplishment of the uniquely broad and remedial purposes thereof, regardless of whether federal or New York State civil and human rights laws, including those laws with provisions comparably-worded to provisions of this title, have been so construed.

Restoration Act § 7 amending Administrative Code § 8-130 (emphasis added).

32. The Administrative Code is to be construed broadly in favor of Plaintiff to the fullest extent possible. Albunio v. City of New York, 2011 NY Slip Op 02480 (N.Y. Court of Appeals, March 31, 2011).

33. As a direct and proximate result of the Defendants' unlawful discrimination, in violation of Administrative Code of the City of New York, Plaintiff has suffered an injury in fact.

34. The Defendants' long-standing refusal and/or lack of effort to make the Subject Facility fully accessible was egregious and undertaken with reckless disregard to Plaintiff's rights under the Administrative Code.

35. By failing to comply with the law in effect for decades, the Defendants have articulated to disabled persons, such as the Plaintiff, that they in effect are not welcome and not desired as patrons of its place of public accommodation.

36. The Defendants unlawful discriminatory conduct constitutes willful and wanton violations of the Administrative Code for which Plaintiff is entitled to an award of punitive damages. Administrative Code § 8-502.

37. The Plaintiff repeats and re-alleges the allegations of paragraphs 1 through 27 as if set forth in their entirety here.

### **ATTORNEYS' FEES AND COSTS**

38. The Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action. The Plaintiff is entitled to have his reasonable attorneys' fees, costs and expenses paid by the Defendants, pursuant to the ADA and the New York City Human Rights Law.

### **DAMAGES**

40. The Plaintiff demands one thousand dollars (\$1,000.00) in compensatory damages based on Defendants' violation of the New York City Human Rights Law and the New York State Human Rights Law, plus punitive damages pursuant to the Administrative Code of the City of New York.

### **INJUNCTIVE RELIEF**

41. Pursuant to 42 U.S.C. § 12188, this Court is vested with the authority to grant the Plaintiff's injunctive relief; including an order to alter the Subject Facility to

make it readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA, the New York City Human Rights Law, and the New York State Human Rights Law and closing the Subject Facility until the requisite modifications are completed.
